- ◇ If your pet comes into one of the AC&C shelters with a current form of ID, we will contact you immediately.
- ◇ Please contact the county's PETS 911 Lost & Found Web site or phone matrix to report your animal missing.
- ◇ Personally visit and walk through both our East & West Valley Animal Care & Control every two days to identify your pet. Animals are held in Lost & Found for 72 hours. After which, they are evaluated & placed up for adoption.
- ◇ Post flyers (see the reverse of this flyer) in the neighborhood where the pet was lost with a description & picture.
- ◇ Talk to local businesses, your letter carrier, paper delivery person, garbage hauler, local veterinary clinics, pet stores & neighbors.
- ◇ Ask elementary schools in your area to post a flier. Kids are everywhere and may see your pet.
- ◇ Check the found ads in the local newspapers and place a lost ad. If you offer a reward do not give the amount.
- ◇ If you found an animal and want to keep him in your home please register him on PETS 911 in hopes of finding his owner.
- ◇ Dog licenses can be purchased at each of our Animal Care & Control facilities. License renewals can be purchased on-line.

- ◇ Be sure to visit all other local area shelters.
